Summer is officially here, and we are feeling the heat in Rock Valley! Our team is excited to work outside on projects around the area while you enjoy relaxing inside with the air conditioning! Trust us for all of your lawn and landscaping needs.

This month we are featuring our Irrigation services! It has been a hot month. Is your lawn holding up? Stop worrying about watering it and let B & K Landscaping install a reliable irrigation system that will keep your lawn green through these hot summer days!

Our team recently completed a landscaping project at Rock Industries! Small projects like this can make a big difference to the look of your home or business. Contact us to start your project, no matter the size!

Landscaping Tip: A great way to keep your lawn healthy in these hot summer temperatures is to put your mower deck up a notch. Long grass helps block out sunlight to retain as much moisture as possible! Don't want to mow? Get on our mowing list!

Do you have overgrown edges around your lawn? We have the tools and expertise to help you get them looking sharp and crisp again! Call today to get on our lawn care list.
